

CAPACITY BUILDING STRATEGY

- Need based training, exposure trips, training materials (print & non print) would be conducted on approved livelihood programme, would be organize to develop conceptual clarity.
- Guidance to overcome practical difficulties encountered during field work activities.
- Loka Kalyan Parishad has already developed **CB strategy /training modules (GTP, GMP & GLP-MDG based)** for its own staffs, service providers & implementation partners.
- The training schedule for the running year'13 & its modules aim to promote awareness and operational capacity on the social management framework of LKP.

The key topics of the training would be:

1.Public disclosure through organizing awareness camps, Display boards

2. Orientation of MKSHG,PRIs,PRI functionaries & other Stakeholders in to Project goals & objectives.

3. IB & capability development of MKS in SA based livelihood/ income generation activities & management (Financial & Agricultural)

4. Development of local HR as support services to PRIs, MK institutions interface CRPs , CPPs & **Staggered Hand-holding** service provided to MKs.

5.Linkage with main stream development process-bottom up planning & implementation.

6. CB on supplementary monitoring activities & Refresher training..

7.Formation of Producer Group, back-forward linkages in Market promotion.

8.Evaluation & documentation of capacity development MK CARD maintenance & updation.

9.SOCIAL AUDIT & formations of GRIEVANCE REDRESSAL COMMITTEE at GP level by maintaining a GR Register.
